

**KEAN**  
**UNIVERSITY**  
*Alumni Association*

Dear Alumna/us,

Thank you for participating in the Kean University Alumni Association long term care insurance program which is a part of our Alumni Affinity Program that provides benefits to our alumni. While your participation enables you to receive a policy premium discount, the Alumni Association receives a small one-time service fee for your participation which goes towards scholarship awards and programming for current Kean students.

The program is open to extended family members including your parents, in-laws, aunts and uncles, brothers and sisters, as well as your children over the age of 18. If any of these individuals would benefit from a presentation on long term care insurance, please contact our program administrators at Personal Health Services at (800) 453-6030 and indicate that you're with the Kean University Alumni Association.

Thanks again for your participation in the program and please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Wendy C. Lee". The signature is fluid and elegant, with a prominent initial 'W'.

Wendy C. Lee
