Dear Fellow Alumni:

Your Kutztown University Alumni Association is pleased to announce a new comprehensive Long-term Health Care Insurance program. Special benefits are available to you and your extended family. This program gives you the ability to select the benefits which will best meet your needs and budget.

Additional discounts are also available for alumni, spouses, parents, parents-in-law, grandparents, uncles/aunts, brothers/sisters, and children over 18 years old. This is truly a family opportunity. I feel that these benefits will add substantially to our KU Alumni program.

Sincerely,

Glenn Godshall '75 & '90
Director of Alumni Relations
